ACHC STANDARD: DRX2-1A

Carefluent Connect provides DMEPOS services for our patients. The DMEPOS includes equipment and supplies that are typically rented or sold to the patient. Depending on third party guidelines some DMEPOS may be rent to purchase. Many of the DMEPOS items require ongoing maintenance. The DMEPOS products are usually delivered and setup in the patient's home. Carefluent Connect delivers the DMEPOS and related supplies products using a company vehicle. Supplies may also be shipped to the patient's home. The scope of services shall include the following items. This list may change, at which time this policy will be updated.
